

90 DAY MONEY BACK PERFORMANCE GUARANTEE

Here at FlagShooter Inc. we are so certain that after purchasing your FlagShooter you will see savings and benefits that we are giving you 90 days to prove otherwise.

Once you get your FlagShooter, hit the field with it and try it out. We suggest testing it out in various kinds of ground. You will also see how painting and flagging with one tool in the same hand will save you time and energy which quickly converts to money! While you are at it, evaluate how your back feels at the end of the day. We have found it will be less stressed which can lead to a more enjoyable time at home.
